**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as a provider because of their local focus and outstanding local service. When I call with a problem the phone is answered by someone in the United States. Someone who understands my issues and works hard to solve them.

Sonic is also working hard to improve the internet infrastructure in my city. Bringing fiber to actual residents at an affordable price and not just large corporations.
